The Denver & Rio Grande to Build From Albuquerque to the White Oaks.

Some Point in New Mexico Will Soon greater cheapness and dispatch. Become a Great Railway Center -Regular Annual

Some talk has been caused by the Denver & Rio Grande railroad recently letting a contract for 50,000 ties to be delivered at Espanola or along the line near that place, first mentioned by the man who was at Albuquerque a few diseases have for their first indication a weeks ago stated that he positively persistent cough, and if properly treated there to White Oaks, within a short sale by its success in curing the diseases time. It was the impression that the extension would be made by way of San sale by W. E. Warren & Co.
